Invitation Procedure

According to S I 5.6.1.1, the invitation to NAC`s will be distributed to all

1. Eligible NACs (as per FAI list)
2. CIA Delegates (as per FAI list)
3. National Balloon Federations (as long as the addresses are known)

Any of the three entities may reply. In case of conflicting entries received by more than one entity, the Organizers will consult the CIA Bureau.

NAC invitations and Result List Invitations

The NAC shall return the completed "Acceptance of Invitation" using the "Acceptance of Invitation" form. The answering authority shall nominate the competitors they want to send.

According the CIA approved bid the equal number of competitors to be invited is 3 per NAC and the total number of competitors to be invited is 45/+3 medal holders.

Therefore, each NAC is invited to nominate up to 3 competitors and as many additional competitors as they want to fill up the additional places available. The number of additional places will be 45 minus the number of accepted initial invitations.

In case a NAC has allocated additional competitors, then the invitations we be sent in order listed for additional places on the "NAC`s Acceptance of Invitation to take Part" form.

The deadline for the acceptance of NAC Invitations is 31stDecember 2019

After the 31st December, Initial Invitations deadline, the Organizers will send 1st round individual applications to the competitors nominated and assigned.

The deadline for the 1st round of entries is 15th March 2020

After 15th March, the 1st round invitation deadline, the Organizers will send out a 2nd round of individual invitations to competitors nominated and assigned, to reach the planned number of 45 competitors.

The deadline for 2nd round of entries is 30th April 2020.

Competitors, whose completed Entry Forms and Entry Fee are received by the deadlines of the respective round, will be accepted.

The progress of the invitation process will be published on the event website.

NOTE: Please write the name, address and email of the nominated competitors clearly.
The competitors will be invited using this data!
